

# THE KEY OF A

## BEAUTIFUL

A     D     D2   E                     A                     A2  
Beautiful, so Beautiful **Your Sovereign Ways for me**  
                   D             D2     E             F#m  
**Your Blood has Spoken Mercy over me**  
                   D             D2     E                     A                     A2  
No eye has seen, no ear has heard, no heart can fully know  
                   D                     E                     A A2  
How Glorious, **how Sovereign You Are**

                   D D2 E                                     D D2 E  
Sovereign One I love You, Sovereign One I adore  
                   D     D2   E                     A A2  
**Sovereign One, my heart must sing**

                   D     D2   E                     A                     A2  
Powerful, so Powerful Your Glory fills the skies  
                   D     D2             E                     F#m  
Your Mighty Works displayed for all to see  
                   D             D2     E             A                     A2  
**The Sovereignty of Your Majesty** awakes my heart to sing  
                   D                     E                     A A2  
How Marvelous, **how Sovereign You are**
