I once was lost, but now I'm Found

Was blind, but now I See

It was Grace that Taught my heart to live
And Grace my fears Relieved
How precious did that Grace Appear
The hour I first Believed (Knew)

Through many hardships I had made
And have been going through
Its Grace that Brought me save so far
And Grace will Lead me Home

When I've been there ten thousand years
Bright shining as the sun
I've no less days to sing Jesus worship
Than when I first begun

I worship You Lord, worship You Lord, worship Jesus, worship Jesus 4x
