

10 – Guitar Worship - 10

Lesson 10 – Another replacement chord.

- Another chord that sometimes is replaced is the chord on number 4. Number 4 will then be replaced with number 2 in minor and in the key of G that is Am.
- **Chords in the Key of G** included replacements chords are: **G, C, D, Em, Am (1, 4, 5, 6m, 2m)**
- In the song ‘O Your Blood’ you are learning (listen to the song on the website), we see in the chorus that the number 1 chord (G) is replaced by the number 6 minor chord (Em) and the number 4 chord (C) is replaced by the number 2 minor chord (Am) in the third line.
- Again, you don’t have to play the replacement chords, but the replacement chords sound better.
- **Tip:** Disregard the 6m and the 2m and use C and G instead. Listen what it sounds like. Then play it again with the Em and the Am and listen to the difference.

The C chord (number 4) can be replaced by the Am chord (number 2 minor).

<p>D C G O Your Blood Lord Jesus Washes me</p> <p>D C G O Your Blood Lord Jesus Shed for me</p> <p>C G C G What a Sacrifice that Saves my life</p>	or	<p>D C G O Your Blood Lord Jesus Washes me</p> <p>D C G O Your Blood Lord Jesus Shed for me</p> <p>Am Em Am Em What a Sacrifice that Saves my life</p>
---	----	---

- Now the **chords for the key of G** are expanded to: **G, C, D, Em, Am (1, 4, 5, 6m, 2m)**
G Am B C D Em F G Am B C D Em F G Am B C D Em F G Am B etc.
1 2m 3 4 5 6m 7 1 2m 3 4 5 6m 7 1 2m 3 4 5 6m 7 1 2m 3
- It is a common rule that the number four chord can sometimes be replaced with the number 2m chord in any key you play in.
- On page 3 of this lesson you will find a schedule for the keys of C, D, E, G, A with the main chords that are used in these keys.

10 – Guitar Worship - 10

THE KEY OF G

O YOUR BLOOD

G C G D
 O Your Blood, Crimson Love, Price of life's demand
