

THE KEY OF D

OH YES AND DID MY SAVIOR BLEED

D **A A2**
 Oh yes and did my Savior Bleed, You Laid down Your Life
D **D2 A A7 D D4**
 You Rose again on the third day, for such a child as I

D **D2 A**
Through Your Blood through Your Blood, where I first saw the Light
A2 A A7 D D2
And the burden of my sins rolled away
G D Bm
 It is here **by Faith I receive Your Voice** - my Sight
Em Em7 A D D4
 And now I know **the Door to enter in**

Was it for crimes that I have done, You groaned up on my tree
 Amazing pity Grace unknown, and Love beyond degree

Through Your Blood.....

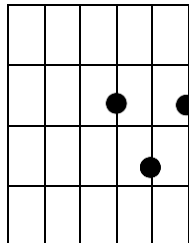

Your Arms are Open wide for me, so I can enter in
 I quickly come fall at **Your Feet**, so You can Wash away my sins

Through Your Blood.....

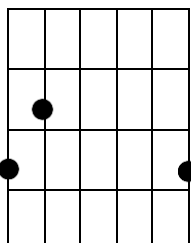

The Road is Open and Prepared, for me to walk **Your Path**,
 That Leads to Eternal Life and to my Heavenly Home

Through Your Blood.....
